ED WILKINSON

Here are the facts. First girlfriend when I was fifteen. Lost the big "V" when I was nineteen. (Late bloomer). DumpER: three times. DumpEE: seven times. Proposed: twice. Rejected: once. Divorced: twice. Don't ask me to explain the math on that one. OK fine. One was technically an annulment. Number of tattoos with an ex-girlfriend's name on them: two. Longest dry spell: four years. Number of times in love: six. Number of times heart-broken: seven. Again, I will not explain the math. Cheated on: twice, slapped: thrice, left for a lesbian lover: once. Yeah. I'm pretty sure I'm gonna die alone.
